8 PIEROGI

AUTHENTIC POLISH · HANDMADE IN WILLIAMSBURG

Sauerkraut & mushroom pierogi

Pierogi z kapustą i grzybami

Soft, pillowy dough folded by hand around tangy sauerkraut and mushrooms.

NET WT. [00] OZ ([000] G)

Baked on North 8th since 1992.

[KEEP FROZEN]

Soft and pillowy, the way they should be.

Each pierogi is folded and crimped by hand around tangy sauerkraut and mushrooms, the filling Polish families make for Christmas Eve. Made in Brooklyn since 1992. Eight in a bag, enough for dinner for two.

HOW TO COOK

Boil. [Bring a large pot of salted water to a boil. Add the pierogi straight from the freezer and stir once. When they float, cook 3 to 4 minutes more, then drain.]

Pan-fry. [Boil first and drain. Fry in butter over medium heat until golden on both sides. Top with fried onions.]

A FAMILY BAKERY SINCE 1992

Richard and Teresa Podedworny opened Northside Bakery in 1992 for a neighborhood that missed the taste of home. Within a year we moved to the North Side of Williamsburg, and we're still family-run today.
