8 PIEROGI

AUTHENTIC POLISH · HANDMADE IN WILLIAMSBURG

Cheese & potato pierogi

Pierogi ruskie

Soft, pillowy dough folded by hand around potato and farmer's cheese.

NET WT. [00] OZ ([000] G)

Baked on North 8th since 1992.

[KEEP FROZEN]

Soft and pillowy, the way they should be.

Each pierogi is folded and crimped by hand around a filling of potato and farmer's cheese. It's the same recipe we've made in Brooklyn since 1992. Eight in a bag, enough for dinner for two.

HOW TO COOK

Boil. [Bring a large pot of salted water to a boil. Add the pierogi straight from the freezer and stir once. When they float, cook 3 to 4 minutes more, then drain.]

Pan-fry. [Boil first and drain. Fry in butter over medium heat until golden on both sides. Top with fried onions and sour cream.]

A FAMILY BAKERY SINCE 1992

Richard and Teresa Podedworny opened Northside Bakery in 1992 for a neighborhood that missed the taste of home. Within a year we moved to the North Side of Williamsburg, and we're still family-run today.
